Hello KCF Parents!

Welcome to the 2016 school year! We apologize for this late newsletter – September was quite a busy month, but we are finally settled into the new year and our kiddos are on a roll! As you may have seen on our Facebook page, our classrooms are bustling with fun activities and lots of learning. Our kiddos are building wonderful relationships with their teachers and classmates and are adjusting to their new routines.

Thank you, parents, for joining us on Back to School Night a couple weeks ago! We hope that you were able to connect with your child's teachers and learn more about classroom expectations and curriculum goals. Our teachers are working hard to provide your children with enriching experiences everyday and to help them build lifelong skills during these important foundational years.

We are excited to partner with you in teaching and nurturing your children and look forward to an amazing year filled with fun, growth, and abundant blessings.

Enjoy this beautiful fall season!
